Matchmaking & Networking events - Assembly Hall (Festsalen)

During the joint NICOLE/ICCL conference a large number of professionals from Denmark, the rest of Europe and the world are expected to visit. In order to promote knowledge exchange, the Danish Organisation Innovation Network for Environmental Technologies (Innovation-MT) offers all participants a matchmaking and networking event on Thursday 5 October.

This event will be located at the Assembly Hall (Festsalen) in the National Museum.

The matchmaking and networking event will be divided into three sessions:

13.00 - 14.20 Session 1

14.20 - 16.20 Session 2

16.20 - 17.00 Session 3

To take part in this unique event, you can register yourself as a participant on <https://www.b2match.eu/iccl-nicole-networking2017>

The matchmaking website is open for profile registration now. Booking of matchmaking meetings will open on the 15th of September. On the 2nd of October the registration will close and meeting programs will be sent out to participants on the 3rd of October.
